SKILLS

- **Core Skills:** HTML5, CSS3, JavaScript (ES6+)
- **Frameworks & Libraries:** React.js
- **Styling Tools:** Bootstrap, Tailwind CSS

WORK EXPERIENCE

Enthusiastic and self-motivated front-end web developer seeking an entry-level position to utilize my coding and designing skills. Proficient in HTML5, CSS3, JavaScript, and modern frameworks like React. Passionate about building responsive, user-friendly websites and optimizing web performance. A quick learner and a strong team player, ready to contribute to dynamic software development projects and grow professionally.

Frontend Developer

Running

Stdio BD | Remote

Full-Stack Web Development (React, Node.js) • Responsive Design (Bootstrap & Tailwind) • Mobile Apps • WordPress • Custom Solutions
Quality. Innovation. Reliability.

TRAINING AND CERTIFICATION

Successfully completed an intensive professional certification training in Frontend Web Development. Gained deep hands-on experience in responsive web design, cross-browser compatibility, and modern CSS frameworks like Tailwind CSS or Bootstrap. The training strictly focused on core frontend technologies, interactive user interfaces using JavaScript, and project management using Git and GitHub
